

Step 1:  
Cut out your  
teddy bear parts  
separately.

Step 2:  
Cut out the  
tag that says  
"My name is".

Step 3:  
Write your  
teddy's name  
on that tag.

Step 4: Look down at the  
bottom corner. Something  
says, "My teddy when done".  
These dots on teddy that look like  
this → • - continue reading

Help put  
me together!

be using  
to connect  
your teddy  
bear parts.

For this  
project you will need

- Scissors
- brads,
- 1 pencil

My name is

Write your  
bear's name  
here!

Step 5: Poke  
holes for the  
brads  
first!

Step 6:  
Hi teddy  
bear!

My teddy when done
